

## "Canadian World Charity Award" Sponsorship Opportunity

Dear (Sponsor's Name & address)

Date

My name is \_\_\_\_\_. I am acting as an independent consultant contact for the fanscharity.com World Charity Award Program and HOPE4ALL School Video Program.

The fanscharity.com World Charity Award (the Stanley Cup of Charities), HOPE4ALL.CA School Video Program, and the fanscharity.com website were invented to help promote all global charities. We are not a charity and presently we are seeking one sponsor to aid us in achieving our goal of helping all charities increase awareness, inventiveness, funding, participation and to educate children of all ages, and all businesses on the importance of fundraising.

Presently we have reached four hundred million people through the media and our program is working to Help Save Lives And Our Planet.

We presently are editing two free school documentaries to distribute worldwide "HOPE4ALL A Walter Gretzky Story" which educates children on saving lives through his Heart & Stroke Foundation presentation and "HOPE4ALL Jack's Story" (2008 SickKids poster boy) an account of how Jack recovered from leukemia with aid from over nine different Charities and Foundations. This Sponsorship would uniquely make the sponsor Canada's philanthropic leader and would educate children and help all charities establish the Sponsor as a promoter of all Global Charities.

Here are some of the great benefits of sponsorship:

- Become Canada's Leader in the area of Philanthropy
- Canadian World Charity Award annually presented by Sponsor
- Sponsors name featured on Canadian World Charity Award
- Sponsor linked to supporting all Global Charities and Foundations
- Sponsor featured in all media ads, events, interviews, and press releases
- HOPE4ALL documentaries and Inspirational Book Sponsor presented
- School documentaries presented in Canada by Sponsor for free
- HOPE4ALL.CA & fanscharity.com website changes to suit sponsor
- Canadian cross-country tour with the Sponsor's World Charity Award
- Promotional case and award location to suit sponsor
- Sponsor known as leader in "Helping Save Lives & Our Planet!"

Our goal is to educate children and to help as many charities as possible. At this point a sponsor would be beneficial to all in this win-win opportunity. Lifetime Sponsorship fee would be \$5 Million which includes a 20%, \$1 Million commission/reward to the identified contact person.
